### Recommendations

- **Dimitar Georgiev** — I wholeheartedly recommend Svetlozar for any system administration role. His technical expertise, problem-solving skills, and dedication to maintaining a secure and efficient IT infrastructure are truly commendable. Svetlozar consistently ensures the smooth operation of our systems, demonstrating a deep understanding of complex networks and server environments. His attention to detail and proactive approach to system maintenance make him an invaluable member of our team. Svetlozar's reliability and professionalism have made a significant positive impact on our organization's IT operations.

- **Deivid Kirchev** — I really enjoyed working with Svet, an awesome IT guy with a great personality. Even though we weren't in the same group, Svet's enthusiasm and fun way of doing things made our work together really enjoyable. He's not just skilled in IT, but he's also profes-
