Recommendations

- **Alexander Painter** (*Project Manager/Coordinator; October 3, 2025, Alexander worked with Svetlozar but on different teams*) — It was very encouraging to work together with Svet for the past several years. A very detailed professional in his profession and highly acknowledged. Transparency and clarity was never an issue working together. Highly respected and recommended!
- **Petya Dakova** (*Project Coordinator; October 21, 2024, Petya worked with Svetlozar on the same team*) — Svetlozar is an experienced IT professional that can offer so much and will be very beneficial for every team.
- **Dimitar Georgiev** (*Frontend Developer; September 29, 2023, Dimitar worked with Svetlozar on the same team*) — I wholeheartedly recommend Svetlozar for any system administration role. His technical expertise, problem-solving skills, and dedication to maintaining a secure and efficient IT infrastructure are truly commendable. Svetlozar consistently ensures the smooth operation of our systems, demonstrating a deep understanding of complex networks and server environments. His attention to detail and proactive approach to system maintenance make him an invaluable member of our team. Svetlozar's reliability and professionalism have made a significant positive impact on our organization's IT operations.
- **Deivid Kirchev** (*Full Stack Web Developer; September 29, 2023, Deivid worked with Svetlozar but on different teams*) — Really enjoyed working with Svet, an awesome IT guy with a great personality. Even though we weren't in the same group, Svet's enthusiasm and fun way of doing things made our work together really enjoyable. He's not just skilled in IT, but he's also professional and knows how to make work both effective and fun. I highly recommend Svet for anyone looking for a top-notch IT professional who's also great to work with.
- **Nikolay Zlatev** (*Intern .NET Dev; October 21, 2023, Nikolay worked with Svetlozar but on different teams*) — Truly creative person! I am currently working with Svet in GoLive UK and I am impressed with his professionalism, charisma and work ethics. He makes smart decisions, support his teams and has excellent expertise in the security field.
- **Maria Bulgarova** (*Web Project Manager; December 11, 2023, Maria worked with Svetlozar on different teams*) — I know Svetlozar as a great colleague at Go Live where he works as an IT Support Specialist. His communication skills when working with colleagues and clients are flawless, and his knowledge and expertise in the IT area are second to none. He absolutely deserves to advance his career. He is highly qualified to handle more than is currently required of him.
When Svetlozar takes on an IT project, he will follow through and personally ensure that every small detail is properly handled. He is an extremely effective specialist with superior organizational skills. Svetlozar is always professional and works hard to have an answer for every person who turns to him for help.
It is my pleasure to strongly recommend Svetlozar for IT Specialist.
